

Belfast Streetfinder Atlas

This streetfinder atlas has a scale of 4.25 inches to 1 mile. Fully updated, with clear, easy to use red and black street level mapping, it is fully indexed. An extensive area of Greater Belfast is covered, with postal districts and classified roads shown in red for extra clarity. Fully updated for 2003, all classified roads and streets are named, numbered and shown in red and all important buildings and places of interest - including car parks and railway stations - are covered. The area of coverage extends from Andersonstown to Holywood and from Belfast Castle to Newtownbreda.
