

# Two Ducks in Tuscany

In their second Italian adventure - see Two Ducks in Venice - Phil and Sprat are drawn to Tuscany to re-visit old haunts and to discover new places and make new memories. With encouragement and humor the two ducks show how fun and easy it is to rent a flat, travel around, buy and cook local food, and to live like a local if only for a week. Full of impressions of the people, the places and the food, and including recipes and illustrations, Two Ducks in Tuscany will entice and delight anyone who knows - or wants to know - this ancient and beautiful region of Italy.
