

Buffy the Vampire Slayer Classic #46: Death of Buffy (Buffy the Vampire Slayer Vol. 1)

Buffy is dead. Her friends are trying to get on with their lives. Between them, there is enough anger, frustration, loss, guilt, and tragedy to resurrect an ancient demon. Things aren't looking too good for Willow, Xander, and the gang. A lovelorn demon has been set free into our dimension, and its food is the grief of Buffy's nearest and dearest. If that's not bad enough, a horde of demonic reptilian sorcerers plan to resurrect their fallen comrade and paint the town blood red. Can Buffy's friends face the threat without a Slayer to defend them? Willow finds that she can learn a great deal from these reptilian mystics. And if there's going to be one resurrection, why can't there be TWO?
