

Avengers: Time Runs Out Vol. 4

Collects Avengers (2012) #43-44, New Avengers (2013) #31-33. For Earth's Mightiest Heroes and the Illuminati, it all ends here! After two years of carefully crafting his cataclysmic saga, writer Jonathan Hickman jumps ahead eight months to the grand finale, the honest-to-goodness immediate future of the Marvel Universe -- and the day of the Final Incurion! The Illuminatis desperate, world-destroying actions have fragmented the Avengers, turning lifelong friends into sworn foes! But as the final incurion looms, will the Avengers, Illuminati and Cabal band together to save what they can, or destroy one another? And have all the battles theyve endured, and the sacrifices theyve made, prepared either group for the inevitable moment where time runs out...and the Secret Wars begin? The final act of the astonishing climax to Jonathan Hickmans legendary run is here!
