

The Candlelit Home: Decorating with Candles Year-Round

There is no easier, more inexpensive, more stylish and dramatic way to change the look and mood of ones living space than with candlelight. This illustrated volume shows candles in indoor and outdoor decor, in table settings and floral arrangements, on patios and in backyards. From votives and tea lights around the bath to candle-filled lanterns illuminating garden walkways and new ideas for the living room, this book, arranged by season and highlighting major holidays such as Christmas, Easter, Halloween and Thanksgiving, presents dozens of suggestions for using candles to spruce up the home.
