

Cannon Hawke: Prelude

This special issue features a brand new 12-page story chronicling one of Cannons earliest childhood memories, and also shares some details on Cannons relationship with his stoic father. Even as a young child, Cannon displays some of the curiosity and courage that made him into the adventurer and Defender of the Elite Council that he is today. Plus, this issue includes an in depth interview with Marcus To, tons of sketches, as well as an all-new cover by artist Michael Turner and Peter Steigerwald!
