

Caricature

The bestselling author of *Ghost World* collects his acclaimed short stories from *Eightball* and *Esquire*. The dramatic short stories included in *Caricature* have drawn comparisons to Nabokov for their complex naturalism and sense of humor. Anchored by the title story, considered the first apotheosis of Clowes seminal *Eightball* underground comic book series, *Caricature* also includes eight other stories, including *Green Eyeliner*, a six-page full-color short story originally published in *Esquire* as the first work of comics to be featured in the magazine's fiction issue (and commissioned by then-editor Dave Eggers). Also included are: a rare fully-painted short, *MCMLXVI*, the full-color *Gold Mommy*, *Glue Destiny*, *Gynecology*, *Immortal*, *Invisible*, *Blue Italian Shit*, *Like a Weed*, *Joe*, *Black Satin*, an all-new cover, and more. Color and black-and-white comics throughout
