

The North: A View From the Skies

This collection of over 130 brand new photographs confirms Esler Crawfords reputation as one of Irelands leading aerial photographers. From the rugged beauty of the Antrim coastline to the breathtaking drama of the Donegal headlands, these photographs capture the wonderfully varied patterns and textures of Irelands landscape. The vibrant greens of the patchwork fields; the silver ribbons of the Bann and Blackwater rivers; the dynamic cityscapes of Belfast, Derry and Armagh; and the island-studded waters of Lough Erne are among the many riches that feature in this incredible aerial journey around the North.
