Confident and charismatic, CEO Alex is the object of every woman's adoration. Even Dani, a dedicated professional who usually isn't interested in men, can't keep her eyes off him. One day she finds herself trapped in the elevator with him. In the grips of claustrophobia, Dani gives in to Alex's gentle gaze and finds comfort in his kiss. The next day Dani is suddenly fired by her temp agency. The video of her kiss with Alex has gone viral, setting off a giant scandal!
