

## Changes

To dare to love...Heart surgeon Dr Peter Hallam was trained to fight time, to conquer odds beyond hope. He had saved the lives of countless strangers, only to see his own wife die tragically beyond the reach of his healing hands. Months later the deep wound of loss had begun to heal as he learned to live without love. Melanie Adams, television newscaster, lived for her work and her children: nothing else mattered. On screen she was the ultimate professional, covering the biggest stories and meeting the hardest deadlines, but she was lonely inside. After heartbreak and desertion she had made her way to the top alone. And she, like Peter, had learned to live without love. But one day, for Peter and Melanie, everything changes.
