

Choper, Fallon, Kamisar and Shiffrins Constitutional Rights and Liberties: Cases and Materials, 9th (American Casebook Series)

Extracted from the more extensive Constitutional Law by the same authors, this casebook is designed for a course that emphasizes individual rights and liberties. The many notes, comments and questions that appear throughout aid a students understanding. The authors have drawn heavily on scholarly literature about the decisions of the Burger and Rehnquist Courts. This literature stimulates critical examination of present and potential future developments in constitutional law.
