

Hidden Public Domain

The public domain is a vast treasure trove of books, magazines, advertisements, images, articles, recordings, movies and software that is completely, 100%, free for your use. The public domain consists of millions of items from Shakespeares plays to the latest high resolution image from the Mars Rover from Nasa. Are you salivating yet?The trick with utilizing the public domain is knowing what content is in the public domain and where to find it. Discover the Hidden Public Domain!Think that public domain solely consists of materials published before 1922? There are literally tens of thousands of books, images, movies etc, published between 1923 and 1963, that did not have their copyright renewed. These materials are on evergreen topics that, with a little editing, can be used for general reading or to create new books, websites, newsletters and more!The possibilities are truly endless when you know how to harness the public domain. Topics in this hands on book include:What is the Public Domain? What is Copyright? How long does copyright last? Getting Started Where to find materialsThe Hidden Public Domain How to research the copyright status of an itemPublic Domain ApplicationsPublic Domain FAQ Public Domain Glossary
