

Circular Knitting Workshop: Essential Techniques to Master Knitting in the Round

Discover the pleasures of knitting in the round! Margaret Radcliffe presents classic circular knitting techniques including Fair Isle, helix, and tubular in detailed step-by-step photographic sequences. This comprehensive guide provides directions for 35 demonstration projects, so you can practice each technique on a miniature hat, mitten, or sweater before applying it to a larger project. With tips on how to adapt any straight-needle pattern for use with circular needles, Circular Knitting Workshop opens up endless possibilities.
