

## Dublin Streetfinder Colour Atlas and Guide

This colour atlas and guide to Dublin features full-colour mapping with colour classified roads; route planning maps showing places of tourist interest; and a full index to streets. The guide information for the city includes important buildings and places of interest; and car parks and railway stations. The product is designed to be of use primarily to visitors, but the large area of coverage and clarity of the mapping should mean that residents and business users will find it useful.
