

# Computer Organization and Design, Third Edition: Companion CD (The Morgan Kaufmann Series in Computer Architecture and Design)

System Requirements  
Operating System  
Most of the content on this CD can be used under any operating system that includes an HTML browser and a PDF viewer. This includes Windows 98 or later, Mac OS 9 and OS X, and most Linux and Unix systems. Some contributed software on this CD is operating system specific. See the installation instructions on the Software page for details.

HTML Browser  
The navigation framework and some of the content on this CD is delivered in HTML and JavaScript. It is recommended that you install the latest version of your favorite HTML browser to view this CD. The content has been verified under Windows 2000 with the following browsers: Internet Explorer 6.0, Mozilla 1.6, Netscape 7.1, Opera 7.23. Under Mac OS X with the following browsers: Internet Explorer 5.2.3, Mozilla 1.6, Netscape 7.1, Safari 1.2. And under Mandrake Linux with the following browser: Galeon 1.3.8. The content is designed to be viewed in a browser window that is at least 720 pixels wide. You may find the content does not display well if your display is not set to at least 1024x768 pixel resolution.

PDF Viewer  
The CD material includes PDF documents that you can read with a PDF viewer such as Adobe Acrobat or Adobe Reader. Recent versions of Adobe Reader for supported platforms are included on the CD. Visit the Adobe Reader home page for more information.

Browser Plugins  
Some of the material on this CD makes use of Flash animations. To view this material, you will need to have Macromedia Flash Player installed. You can install the Shockwave Player (which includes Flash) on Windows and Macintosh from this CD. Visit the Macromedia homepage for more information. Note that recent versions of some browsers, including Internet Explorer, Netscape, and AOL, already incorporate Flash Player. Some of the

material on this CD contains photographic panoramas that can only be viewed with the iseemedia Zoom Viewer browser plugin on Windows and Mac OS 9 platforms. Visit iseemedias website for download instructions.
