

Adams Amazing Counting Book Counting in Tagalog (Adam the Little Airplane)

Adams Amazing Counting Book Counting in Tagalog is part of the Adam the Little Airplane series of books. It is a childrens book designed to introduce young readers to concepts of numbers, basic counting and provide a small introduction to the Tagalog Language of the Philippines. The numbers are presented in English, then Tagalog with a phonetic pronunciation. A light narrative is provided for more advanced readers and parents including a Tagalog translation. This book can be a fun learning exercise for both parent and child.
