

## Creative Haven Zenscapes Coloring Book (Adult Coloring)

The meditative state associated with Zen philosophy inspired the creation of this adult coloring book. More than 30 pages of repetitive images feature graceful, sinuous lines and swirling circular motifs that create a peaceful coloring experience. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Zenscapes and other Creative Haven adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.
