

## Criminal Macabre: My Demon Baby

To say that Cals been through hell and back would be a misstatement. Hes been to hell, all right, and he seems to be stuck there for good. When we last checked in on Cal, he and MoLock had just witnessed the vile, horrifying transformation of Cals lovely ex, Sabrina Lynch, into a minion of the vampire Nosferatu. After that Cal disappeared for a bit, and at the start of our new series, MoLock finds him just in time to lure him off the filthy couch in an abandoned house with an offer he cant refuse either he gets up and takes a new case, or MoLock will kill him before the drugs can. And what a case it is. Devil worshippers in sunny SoCal are doing their best to bring Satan into the world, and by the looks of things, Cals already too late. What does one feed a bouncing baby Beezlebub, anyway?
