

Criminal Macabre Omnibus Volume 1

In 2003 Steve Niles, creator of the 30 Days of Night comics series, launched a series of occult detective stories featuring the monstrously hard-boiled Cal McDonald. A pill-popping alcoholic reprobate, Cal is the only line of defense between Los Angeles and a growing horde of zombies, vampires, possessed muscle cars, mad scientists, werewolves, and much more weirdness! * I literally screamed HOLY \$#@% when I put this book down. It is that good... Cal McDonald is truly one of the coolest characters in comics. -Aint It Cool News
