

Criminal Macabre: Two Red Eyes #3

This has to be the worst week in Cal McDonalds life. First his only human friend dies (thanks, in part, to Cal). Then he gets beaten nearly to death by a gang of cops. And then he goes into withdrawal while hes in a coma from the beating. And the cherry on top of this sad-sack sundaeCals ex, Sabrina, has been kidnapped by the oldest evil in the books, Nosferatu, and now hes using her to bait Cal into a trap. Getting an early discharge from the hospital was easy enough, thanks to MoLock and his posse of ghouls, but now hes gotta make it past the army of cops, find Sabrina, and figure out a way to kill a vampire nobody else in history has been able to touch. And did we mention hes doing all of this sober?
