

## 99 Crochet Flowers: Awesome Flowers for Embellishing

Introducing 99 Crochet Flower Patterns from Dogwood Apps! Whats so great about Crochet? Crochet is no longer the most neglected of the different kinds of needlework. Instead, it is becoming more and more popular for those who like to make their own garments, decorate their own homes, create all kinds of impressive blankets and throws, or even craft adorable childrens toys. Thats why we created 99 Crochet Flower Patterns for you to enjoy embellishing whatever you desire! Attach our flowers you create to clothing like dresses, jackets, hats, headbands, scarves, etc. Is your Crochet Flower patterns ebook for Beginners? No, our book is aimed at experienced Crocheters. For a nice introduction to Crochet we recommend our Getting Started with Crochet ebook that also offered here on Amazon. Once you learn the basics you will succeed in creating our amazing crochet flower patterns! I am already an experienced crocheter, what kind of stitches do I need to be familiar with? Throughout our flower patterns, we use basic stitches and their abbreviations like: Sl st = Slip Stitch SC = Single Crochet DC = Double Crochet HDC = Half Double Crochet and more! Dont worry though, if you encounter something that you are unfamiliar with we also offer a handy abbreviation guide at the end of our book that you can use for reference for not only our crochet guide but others offered online as well! Are your Crochet Flower patterns difficult? Nope! Our patterns range in difficulty from easy to intermediate making our book ideal for someone that is familiar with the basics of crochet. This is a great guide for all ages ranging from children to adults that are familiar with the basic stitches of crochet! What supplies are required for your patterns? Our patterns require medium-worsted yarn and at least one crochet hook. Some of our patterns require two hooks. What are you waiting for? Scroll up to purchase and start making

some Crochet Flowers today! Also be sure to check out other titles offered from Dogwood Apps!
