

## More Flowers (A Coloring Journal)

Write and color! Pattern artist Angie Grace brings you a unique and whimsical journal book featuring 50 more of the individual design motifs from Flowers (Angies Patterns Volume 8.) In this book you'll find fabulous frilly flowers and playfully perplexing posies to color and plenty of room to jot down your thoughts, ideas, dreams and memories. Printed on one side of the page only, artwork has been drawn with marker artists and colored pencil fans in mind. (Crayon artists, keep your sharpener handy - or visit Angie's author page to find her special edition Flowers companion books that contain drawings sized perfectly for crayons and wide tipped markers.)
