

Identifying Your Firearms: Complete Edition

Identifying Your Firearms: Complete Edition is the worlds #1 source for firearm identification and information. Its packed full of hundreds of pages of information regarding virtually every type of firearm known to man. All of the top models and brands are represented in this amazing collection, including many rare and custom-made pieces. Weve also included hundreds of photographs and illustrations that make identifying and classifying any weapon easy. Want to know where a certain model was made? Perhaps you just want to know the caliber of ammunition required. Weve also included thousands of interesting facts and history regarding the weaponry. This incredible book has something for everyone.
