

Something Borrowed Patchwork Mysteries

the big day is almost here! As Sarah finishes final preparations for her wedding to Liam, her family and friends gather to work on a friendship quilt that they're making as a gift. Her daughter Jenna arrives, bringing the quilt Sarah made for her when she got married, and plans to sew one of the squares into Sarah's friendship quilt. But when Jenna's heirloom wedding quilt disappears from the church, Sarah must track down who stole it. What could someone want with this piece of family history? Is there something in it that they don't want discovered?
