

Cookies & Cream: Nursing Desire (Interracial Erotic Romance/Tasty HuCow Tales Book Three)

Amber just got out of a relationship and is whisked away on a girls trip to a beach resort. She's been off the market for a while and is enamored by a handsome, muscular Black man, Terrence, who is competing in a body building competition. After a chance encounter with him later that night, they learn of each others dreams and secret desires about life. Terrence senses Ambers dark, creamy secret and can't wait to taste her essence and feed his erotic, forbidden desire. There's a first time for everything, they say, so Amber will embark on her first journey with an ebony alpha male who can fulfill her wildest fantasies. She lets go and allows herself to go on this wild ride, and they nurture each others bodies, as Terrence straps her to one of his workout machines, tastes her sweet vanilla cream and gives it to Amber hard and without protection.
