

Dancers in the Dark

A gritty, biting novel that exposes the excitement, grace, glamour and backstage of the ballet world with lusty dancers in cutthroat competition. Allison Fains desperate hunger for love and fame drives her from the lights of the stage to the dark realms of jealousy, sex and deception destroying lovers and friends along the way. Reviews: A fascinating romp through the dance world with cutthroat competition and lusty dancers. The pages flew by and I wished it wouldn't end. An entertaining, well-crafted look at the excitement, grace, glamour and underbelly of the ballet world - written by someone who knows that world intimately. Reads like a movie. Anyone who has ever danced will love, hate and empathize with the characters in this gossipy, gritty, novel, and for everyone else, it's great eye-candy, a fast read and a darn good story. A perfect description of the hard reality of ballet, this novel opened my eyes. I was not familiar with the world of ballet, but, it is so well written that the reader is immediately into the story. The main issue is the need to be a star. Are all the means allowed to obtain this goal? This novel is the answer. Amazon Book Reviews Listed as #1 Bestseller in Top 100 Paid Kindle Books in Dance, Arts and Entertainment.
