

Dashing Through the Snow

The new romantic Christmas story from New York Times bestselling author Debbie Macomber. Ashley Davison is desperate to spend the holidays with her mother in Seattle. Dash Sutherland has an interview for the job of a lifetime in Seattle and must arrive by 23 December. Both frantic to book a last-minute flight out of California, Ashley and Dash collide at the airport to learn that there are no flights and only one rental car available. After a rocky start, the two reluctantly agree to drive to Washington together. But their journey isn't without obstacles, and a misunderstanding with the law threatens to ruin their holiday plans altogether. Will Ashley make it home in time to surprise her mother? Will Kevin report to duty as expected? And most importantly, will they both have the opportunity to discover the greatest gift of all?
