

## 70s Pop Genius Quiz Book: 1000 cunning questions

As editor of Britain's best-selling Guinness Book of British Hit Singles, the author knows exactly how to compile this clever 70s pop quiz which is sure to challenge any pop know-all. The 1,000 questions, many with multiple-choice answers, enable all the family and friends to have a go. On another level, the book also offers points for differently rated questions, and for any budding pop genius there's the incentive to see how they score against the maximum 5,000 point total. Designed to stretch the boundaries of pop knowledge that little bit further with a mind-boggling variety of the most challenging questions, Seventies Pop Genius Quiz Book takes pop quizzing to a new more involving level and is the perfect gift for Fathers Day. Its also beautifully designed with a clever method for revealing the answers in a way that means you don't have to keep flicking backwards and forwards through the book. A must for any music enthusiast.
