

Dark Waters (The Jeff Resnick Mystery series Book 6)

A near death experience is only the beginning of Jeff Resnick's troubles. Family comes to town, but one of them, a nephew who reminds Jeff of the thugs who mugged him, has unsettled him. He's on edge. The fact that his brother has taken possession of an expensive boat through an IRS auction takes his mind off the bad vibes he's getting from other relatives. But that yacht holds a deadly secret, one destined to turn his world upside down. Will Jeff figure out the puzzle before his vision of near death becomes a reality?
