

Decorative Plates

Beautiful examples of decorative plates have been made by almost every porcelain company in the world in a variety of subjects in all price ranges. This book features hundreds of these beautiful plates, from the top-of-the-line portrait plates showing painters' artistic skills to the more common subjects like landscapes, animals, birds, flowers, and fruit. Transfer print decorated items as well as fine quality hand-painted decorations are showcased in over 1,000 color photographs. Organized by country or geographic area, the book covers both American and foreign items. Deldare art pottery, Pickard china, French, German, and Oriental plates, marks, and the popular hobby of American china painting - its all in *Decorative Plates*. 2008 values.
