

Different: The Story of an Outside-the-Box Kid and the Mom Who Loved Him

What is going on in this kid's head? Why can't I get him to understand and obey the rules? I feel like everything's a battle. Whatever I try doesn't work. How can I get through to him? Sally Clarkson has been there. Of her four children, her son Nathan was that kid—the one who challenged her most, pushing every boundary and all of her buttons. His favorite word was no! He refused to sleep. He was that boy in the restaurant who threw a chicken leg across the room and lay on the floor kicking and screaming. But today, Sally and Nathan have a strong, loving bond; and in *Different*, they join together to tell you how it happened. You'll discover the Scripture verse that challenged Sally to change her parenting style—and helped her fall in love with her kids as people; hope and reassurance for those times when you're feeling inadequate and frustrated; encouragement to keep you going and trusting God with your child's future. The true story of a frazzled mom and a challenging child and how they both grew into the people they were created to be, *Different* will encourage and equip parents of out-of-the-box children to successfully navigate the storms and come out strong on the other side.
