

## John Byrnes Next Men Volume 4: Faith (John Byrnes Next Men (Dark Horse Comics))

The first appearance of Mike Mignolas Hellboy is just the icing on the cake in John Byrnes Next Men: Faith! The Next Men, having been falsely convicted of murder, break out of jail and go underground...literally. They head for the abandoned subway tunnels of New York and find them less abandoned than everyone thought, filled with a secret community of homeless people. But they cant stay hidden forever, and when the governments forces finally track down the Next Men it becomes both an exercise in survival and a lesson in betrayal.
