

#1 Exclusive Collectors Paradise Limited Edition (Comic) (Do Androids Dream of Electric Sheep?)

(W) Phillip K. Dick (A) Steven Dupre
Covers: A) Dennis Calero, B) Bill Sienkiewicz, C) Scott Keating
The book that inspired the film Blade Runner comes to BOOM! with backmatter by Warren Ellis! Visionary sci-fi author Philip K. Dick's Do Androids Dream Of Electric Sheep? has been called a masterpiece ahead of its time, even today and served as the basis for the Ridley Scott film Blade Runner. San Francisco lies under a cloud of radioactive dust. The World War killed millions, driving entire species to extinction, and sending mankind off-planet. Those who remained coveted any living creature, and for people who couldn't afford one, companies built incredibly realistic fakes: horses, birds, cats, sheep - even humans. Rick Deckard is an officially sanctioned bounty hunter tasked to find six rogue androids - they're machines, but look, sound, and think like humans, clever, and most of all, dangerous humans. Rick Deckard, Pris, The Voight-Kampff Test, Nexus 6 androids, the Tyrell Corporation: join BOOM! Studios as the complete novel transplanted into the comic book medium, mixing all new panel-to-panel continuity with the actual text from the novel in an innovative, groundbreaking 24-issue maxi-series experiment illustrated by acclaimed Wolf artist Steven Dupre for the science-fiction publishing event of the year! Covers by Bill Sienkiewicz, Dennis Calero, Moritat, and Scott Keating. Limited Edition 1 of 500 Collectors Paradise Exclusive Cover

Collectors Paradise Exclusive Variant. Limited (Comic) (Do Androids Dream of Electric Sheep?) - Alibaba Patrick said: Do Androids Dream of Electric Sheep is my favorite Philip K Dick Its the wrong book, Its the wrong edition, Other .. It hampers the ability of the comic medium to work its magic, it ties the pictures into the narrative .. he gives associates true humanness with human-on-animal empathy (is he a vegetarian?)
