

## Doomsday Conquest (StonyMan)

STONY MAN Accountable only to the Oval Office and fully committed to the security of the U.S. in an ever-morphing terrorist landscape, the warriors of Stony Man never relent, tire or fold. America's last line of defense understands that all it takes for evil to prevail is for a few good people to stand down. For Stony Man, that day will never come. Not now. Not ever. DOOMSDAY CONQUEST The covert world of black ops takes on a sinister new twist as high-ranking rogue operatives offer super-tech weapons for sale to enemies of the United States in an effort to fix the Middle East. With buyers from Russia to Iran lining up for the prize, America's national security is about to blow up in a mushroom cloud, plunging Stony Man into a killing game with no end or winner in sight.
