

Talking to the Ground: One Family's Journey on Horseback Across the Sacred Land of the Navajo

In 1992 Doug Preston and his family rode horseback across 400 miles of desert in Utah, Arizona, and New Mexico. They were retracing the route of the Navajo deity Naayee neizghani, the Slayer of Alien Gods, on his quest to restore beauty and balance to the Earth. More than a travelogue, Preston's account of the journey is a tale of two cultures meeting in a sacred land.
