

## Booster Gold: Reality Lost v. 3

When disgraced future sports star Michael Carter discovered a time-travel device, he came to our time intent on becoming superhero Booster Gold - and making a fast buck! Boosters happiness at being reunited with his long-thought dead sister Michelle (a.k.a. Goldstar) doesnt last long, as Rip sends him back through time to help fix another anomaly - a Batman-less Gotham City! Then an old mistake of Boosters resurfaces, and the time team must take on an all-conquering Starro army! Written by Chuck Dixon (Batman and the Outsiders) and Rick Remender (Fear Agent) with art by Dan Jurgens (The Death of Superman), this brand-new series spans the whole of comics history - and future!
