

## Adventure Guide to Provence & the Cote d'Azur

For years, Ferne Arfin has been playing in Provence, a place where Van Gogh spent his most prolific years painting. She draws from her experience to tell you about the people, their culture and the way of life. Covering every town, village and city in the region, this book takes you sightseeing in Avignon, shopping in Marseilles, to the best beaches at Cap d'Antibes and along the French Riviera to places like Eze, Nice, Monte Carlo and Cap Ferrat. Comprehensive background information - history, culture, geography and climate - gives you a solid knowledge of each destination and its people. Regional chapters take you on an introductory tour, with stops at museums, historic sites and local attractions. Places to stay and eat; transportation to, from and around your destination; practical concerns; tourism contacts - its all here! Detailed regional and town maps feature walking and driving tours.
