

## Milan: Practical Guide (Bonechi Travel Guides)

This guide to Milan is designed for visitors taking an extended stay in the city, home of Leonardos Last Supper. The book covers all the major sites of interest: the famous Piazza dei Duomo; the Brera Art Gallery; La Scala; and other churches, museums, galleries and monuments. The book is divided into four sections, each describing an area of the city that can be explored in detail, as well as comprehensive coverage of many outlying points of interest.
