

# Society of Publication Designers: 34th Publication Design Annual (Society of Publication Designers Publication Design Annual) (Vol 34)

The Society of Publication designers was formed to acknowledge the role of the art director/designer in the creation and development of the printed page. In this volume showcasing the winners of its 34th annual competition, the best examples of editorial design are featured. Selected from over 10,000 entries received from all over the world, these winners represent the best in design today.
