

Habemus Papam! Pope Benedict XVI

The story of an extraordinary young man who thought he was ordinary. Young Josef Ratzinger faces a number of challenges growing up in German Bavaria: all he wants to do is learn, but the Nazis keep closing down his schools. His father, Captain Ratzinger, a retired police officer, has been trying to stay one step ahead of the Nazis, but as Josef grows older, Germany moves towards war, and every German youth must serve in the army Hitler has taken over. Little does Josef realize that the plan God has for him goes beyond books and the academy - and even beyond Germany! This graphic novel about the life of Pope Benedict XVI is an expanded version of Gabrielle Gniieweks book that was officially published for World Youth Day 2011 in Madrid, Spain, and distributed to 300,000 people. Also included is a nine page appendix with fun facts about the Holy Father, his vehicles, and the Swiss Guards.
