

## Elfquest: The Final Quest #11

The one issue you dare not miss! The elves unprecedented gathering reaches a fever pitch when Strongbows lifemate Moonshade, Oddbit the troll queen, Mender the healer, Skywise the stargazer, and even evil Winnowill pursue their hearts desires and some dare ask for even more! Angrif Djuns war fleet invades the Wavedancers waters as a shattering moment of truth occurs between Cutter and Timmain. ElfQuest has some of my favorite illustrations. Everything about it screams fantasy and wonder. So if anything, the illustrations could easily win me over alone. A?Comic Bastards
