

Elizabeth Zimmermanns Knitting Workshop (Updated and Expanded Edition)

Elizabeth Zimmermanns Knitting Workshop guides knitters from beginner to master status through carefully created lessons. Included are: Learning to knit, knitting with two colors, Elizabeths Percentage System (EPS) for sweater design, yoke style sweaters, drop-shoulder sweaters, and knitting garter stitch, lace, arans, guernseys, and fair isles. Zimmermanns workshop, originally a PBS television series, has been a bestseller since its release. Now, it has been updated with color throughout and expanded with editorial notes, technique photos and drawings, and more detailed directions and sizing for some garments. The pattern section contains Elizabeths famous Baby Surprise Jacket, now with row-by-row instructions, the Epaulet Sweater, the Heart Hat, and many more of EZs beloved designs. A wonderful book for beginning, intermediate, and master knitters, who often remark that they return to Elizabeths books time and again to remind themselves of her innovative knitting techniques and construction methods. The updated and expanded edition enhances an already classic reference and pattern text for modern knitters.
