

Fables #73

Written by Bill Willingham Art by Mark Buckingham & Steve Leialoha Cover by James Jean Fabletown has finally gone to war against the Homelands, and they've brought powerful allies with them! Prince Charming and his fire team serves aboard the sky-treading gunship Glory of Baghdad, which is commanded by Sinbad and crewed by Arabian Fables. At the same time Bigby Wolf leads a mixed squad of commandos, Animal Fables and giants from the Cloud Kingdoms into the very heart of the Empire. The war has begun, but how will the Empire respond? This is the first issue of a 3-part story that will culminate in the oversized issue #75, changing the face of Fabletown forever.
