

Practical Guide to Fantasy Art: The Fantasy Art Techniques of Boris Vallejo and Julie Bell

For the first time Boris Vallejo and Julie Bell give an in-depth description of how they paint their masterpieces, taking the reader through every stage of the creative process from initial concept through to the finishing touches. They show the reader how to use a wide variety of media to create a whole range of different types of painting, and explain how they create the effects for which they are so renowned such as Julies legendary metal flesh. The book is illustrated throughout in full colour with step-by-step photographs that Boris and Julie have taken as theyve worked are there is also a selection of their finished art that will ensure the book appeals to art students and fantasy art fans alike.
