

## Golden Autumn 1 Piano Sheet Music: Original Solo Piano Pieces

Golden Autumn 1 is the first installment in Iranian/Canadian composer/pianist Fariborz Lachini's celebrated series of piano albums called Golden Autumn that includes his original writings for solo piano, some of which were originated from the themes he created for film scores. It was first released right after the dark years of Iran/Iraq war. Crossing all barriers, the album quickly became the most popular album in Iran and made Lachini a household name. Since then his solo piano books have been taught by music teachers in Iran. This is the companion songbook for Fariborz Lachini's CD with the same name.
