

Fatherhood Principle

All men are fathers. The inherent purpose of all men is fatherhood. Whether a man is married or single, and whether or not he has children, he is designed by God to fulfill the role of father in the lives of those around him. It is his calling to reflect the creative and cultivating nature of God. In *The Fatherhood Principle*, Dr. Myles Munroe explains that although every man is called to be a father, knowing how to live in this purpose is not automatic. We must understand the characteristics and master the skills of fatherhood. Fulfilling the position and role you were created for means exhibiting qualities of leadership, integrity, responsibility, and obedience to the ultimate Father of fathersour Father God in heaven. This book provides key principles and insights that will teach you how to fulfill the role of father in your personal sphere of influence. In clear and compelling terms, Dr. Munroe explains how a man can become source, nourisher, sustainer, protector, teacher, disciplinarian, leader, head, caring one, and developer. Discover Gods original blueprint for men and step into your true purpose in life.
