

Fifty Mens Fashion Icons that Changed the World (Design Museum Fifty)

Painfully cool and instantly recognisable, the 50 style trailblazers in this collection used fashion to attract attention, gain influence, express themselves and make powerful statements. From Fred Astaire to Prince, Marlon Brando to Bob Dylan, JFK to Fred Perry, this book covers the looks and stories of politicians and actors, musicians and designers. With stunning photography, this book is the perfect gift for fashionistas, design students, and anyone who loves good style!
