

## The Husband Project - Finding Mr. Right 3 (Harlequin comics)

After seeing her two best friends at her public relations agency get married, Alison feels that something is missing in her single life. She wants to love someone but has no interest in marriage. She just wants a baby to give all her love to. After suddenly landing herself in the emergency room, Alison meets Dr. Logan, a competent doctor with a sarcastic tongue, who, upon her request, agrees to help her make a baby. However, she must marry him in exchange!
