

Flashpoint Companion (2012-) #1

When Barry Allen wakes at his desk, he discovers the world has changed. Family is alive, loved ones are strangers, and close friends are different, gone or worse. Its a world on the brink of a cataclysmic war - but where are Earths Greatest Heroes to stop it? Its a place where Americas last hope is Cyborg, who hopes to gather the forces of The Outsider, The Secret 7, SHAZAM!, Citizen Cold and other new and familiar-yet-altered faces! Its a world that could be running out of time, if The Flash cant find the villain who altered the time line!
