

A MISTAKE, A PRINCE AND A PREGNANCY (Harlequin comics)

Attorney Alison Whitman makes the decision to have a child through IVF. But once she becomes pregnant, she discovers that there's been a mix-up about the sperm donor! Alison goes to inform the father, Maximo Rossi, about the situation, hoping to get him to sign away his parental rights. But when she arrives at his gorgeous mansion, he tells her quite seriously, I'm the crown prince of the Mediterranean kingdom of Turan. If what you say is true, then the baby will also be an heir to the throne
